Re: WTB Docket No. 10-153

Dear Ms. Dortch:

AT the CES on the Hill event on May 10, 2011, at Eastern Market in Washington, D.C., I discussed LiveEdge's technology for gathering and transmitting broadcast-quality video via Verizon Wireless's 4G LTE network with Charles M. Oliver of the Wireless Telecommunications Bureau. The points that we discussed are summarized in the attached LiveEdge news releases.

Sincerely,

Robert Klinge
CEO
